Seniors & Juniors SAT prep. Class

Mrs. Bell is holding SAT prep. classes on Tuesdays and Thursdays at 1:15 in room 304 for students in grades 11 and 12. Students are not required to take the class, but it is HIGHLY recommended. **All seniors should have either taken the SAT or ACT tests or be signed up to do so. Juniors also need to be thinking about taking one or both of these tests. Many juniors take the test in the early winter or spring.**

PLEASE NOTE: St. Andrew School Attendance Policy

It will be greatly appreciated if you would send a note, or call the school office when your child is absent for an illness, occasional prearranged family travel, or funeral. The note should explain the reason why the student is not in school. A note from a doctor or orthodontist is also acceptable. This makes it easier for the teacher to determine whether the student should receive credit for the assignments or tests. **Please note that the school will determine if the absence will be considered excused.** The school handbook lists valid reasons for absence: illness, occasional prearranged family travel, medical treatment, or funerals. Absences which are school related (e.g. school competitions) are, of course, excused but should be prearranged.

From the Handbook:

2.2.22. If a student needs to leave campus during the school day, other than for School activities, the parent or guardian, or another authorized adult, must come into the School office in person and sign the student out, unless the parent or guardian has provided a note, signed by the parent or guardian, asking the student to be excused at a specific time. If the parent or guardian has provided a note, the student will be excused when the parent, guardian or other authorized adult calls the School office to let the School office know that the parent, guardian or other authorized adult has arrived at the School to pick the student up. "Another authorized adult" means an adult whom the parent or guardian has authorized, by name and in writing, to accompany the student from the School.

Emerald Isle Auction 2017

Procurement cards are ready for pick up. This is a huge job and is very important to the auction. Please help this committee with getting items/services procured for the auction; your help makes this process be successful much more quickly. The items and services donated help bring in money for the school when they are bid on at the auction.

If you are uncomfortable making this contact your services could be used to arrange pick up of items that have been procured. Please let me know if you would prefer to do this.

Parrot Candy Fundraiser

Week 2 of the Parrot Candy Fundraiser finished with a lot of gusto! Claire Havens was our Week Two First Place winner. Congratulations Claire! She received a \$50 gift card to The Grub Stake for her efforts.

We are now at the end of our Fall Fundraiser and ask that all families return their Parrot Candy order forms in TOMORROW, November 2. We will need to tabulate the winner of the cash prizes and turn in our orders to the Parrot for them to begin processing so that candy is ready when promised.

These are the prizes to be awarded to the top 3 sellers throughout the entire contest period:
The TOP seller for the entire sales period will receive a \$100 cash prize;
2nd place seller will receive a \$50 cash prize;
3rd place seller will receive a \$25 cash prize.
All students selling a minimum of \$100 will receive a large jawbreaker!

Thank you to all of our students, parents and grandparents who have made this a fun and successful fundraiser!
